THE TROPICAL HOTEL

WOOD & DOUGLASS, PROPTS.

Kissimmee, Fla. Dec 8th 1886

My dear Mama

I suppose you will soon be busy introducing Clara, you had better put a little beeswax on her, unless you want to be left totally alone in your old age, How is everybody, were not you all rather astonished to see Herbert back, it was much the best thing he could do but we miss him very much, so does "Squadgie face" tell him. I have just arranged to take a room in another smaller place in Kissimmee for the winter, this is far too expensive for us, and we will have a much larger room in the next place. Ruthie cut her third tooth the other

day

she has such a lovely colour and is ~~as~~ well as any baby I ever saw. Poor Georgie I am so sorry for her, doesn't she dread the whole performance very much, I always shiver whenever I think of it, and I only hope I may never have to go through it again. How did you enjoy Wales, I must say Aunt Harrie was ~~ridiculous~~ to go away while you were there, but I suppose small things upset small minds. I like them all down there so much, they are so wonderfully oldfashioned and think that everything turns on their own particular little pivot. Is that pain in your stomach any better, why not try a little common cooking soda, it is wonderful for acidity and indigestion and all sorts of things down there, it can't do any harm and it might do good, but it is certainly ~~so~~ very nasty. Please give my love to everybody and hoping you will have a ~~for~~ happy Xmas at Marlborough.

Yours affectly

Helen F. Warner.

Best love to Herbert from us all tell him
